

D. O. M.  
GASTRONOMIA BRASILEIRA

EVENTS • 2025

RUA BARÃO DE CAPANEMA, 549 - JARDINS

# *Hello*

D.O.M. restaurant, founded in 1999 by chef Alex Atala, revolutionized Brazilian cuisine by valuing native ingredients, such as jambu and tucupi - typical from the Amazon.

It has become a global reference, winning awards and maintaining two Michelin stars since 2015, and appearing in The World's 50 Best Restaurants ranking for 12 years.

Its tasting menu explores authentic flavors with innovative techniques, while an executive menu pays homage to everyday cuisine. The excellence of the team and the pairing of national wines also stand out.

With 25 years of history, D.O.M. remains an icon of Brazilian cuisine, and can be the setting for your next event.

# *Menu*

At D.O.M. Restaurant, we invite our customers to try the **tasting menu** for lunch or dinner.

The dishes, prepared with technique, precision and in absolutely unusual ways, were created by chef Alex Atala and his team. The menu has 12 courses, including snacks, starters, main courses, pre-dessert, dessert and mignardises. There is also a vegetarian version - by request.

The tasting menu can be ordered with wine pairing. The labels - mostly national - were expertly curated by sommelier Luciano Freitas and pair well with different dishes on the menu.

Another option is to include Iranian caviar on the tasting menu.

There is also an **executive menu** served from Monday to Friday at lunchtime, where everyday Brazilian recipes are honored.

Fish, chicken or fillet escalope are served with a small feast of side dishes, such as sautéed kale with bacon, two kinds of beans, farofa and breaded banana, among others.

*At D.O.M. we do not prepare personalized menus.*
