

D. O. M.
GASTRONOMIA BRASILEIRA

EVENTS • 2026
RUA BARÃO DE CAPANEMA, 549 - JARDINS

Hello

D.O.M. restaurant, founded in 1999 by chef Alex Atala, revolutionized Brazilian cuisine by valuing native ingredients, such as jambu and tucupi - typical from the Amazon.

It has become a global reference, winning awards and maintaining two Michelin stars since 2015, and appearing in The World's 50 Best Restaurants ranking for 12 years.

Its tasting menu explores authentic flavors with innovative techniques, while an executive menu pays homage to everyday cuisine. The excellence of the team and the pairing of national wines also stand out.

With 25 years of history, D.O.M. remains an icon of Brazilian cuisine, and can be the setting for your next event.

Menu

At D.O.M. Restaurant, we invite our customers to try the **tasting menu** for lunch or dinner.

The dishes, prepared with technique, precision and in absolutely unusual ways, were created by chef Alex Atala and his team. The menu has 10 courses, including amuse bouche, starters, main courses, pre-dessert, dessert and mignardises. We are prepared to accommodate dietary restrictions and allergies - by request.

The tasting menu can be ordered with wine pairing. The labels - mostly national - were expertly curated by sommelier Luciano Freitas and pair well with different dishes on the menu.

There is also an **executive menu** served from Monday to Friday at lunchtime, where everyday Brazilian recipes are honored.

At D.O.M. we do not prepare personalized menus.
